2. User Journey Flow

The user journey is as follows:

- 3 **Diary Interface:** The view transitions to the diary interface.
- 4 A stylized header image of the selected character is displayed.
- 5 A unique opening line, tailored to the character's personality, is shown.
- 6 A text area is provided for the user to write their diary entry.

3. UI Components

 - Accent: Gold/Bronze (#c4a66a) for borders, titles, and highlights.
 - Text: Off-white (#e0e0e0) for readability.
- **Typography:**

- Headings: A magical, serif font (e.g., 'Lumos', 'Harry P').
- Body Text: A classic serif font (e.g., 'Times New Roman') for a diary-like feel.
- **Overall Aesthetic:** The design should be immersive, mysterious, and reminiscent of the magical world of Harry Potter.

5. Dialogue Scripts & Character Mapping

Ron Weasley	"Bloody hell! Another secret? Go on then, but make it quick!"	Loyal, humorous, and often exasperated. Reacts with emotion and a touch of drama.
Albus Dumbledore	"It does not do to dwell on dreams and forget to live. What is on your mind?"	Wise, calm, and enigmatic. Speaks in riddles and offers profound advice.
Severus Snape	"The mind is a complex and many-layered thing. Unburden yours... if you dare."	Sarcastic, mysterious, and guarded. Speaks with a slow, deliberate pace, often with a hidden meaning.
